VOLUME 44

PRICE 20 CENTS

ELBA, ALABAMA 36323

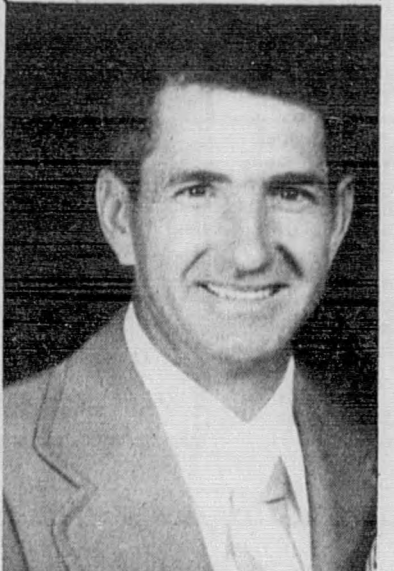

SEPTEMBER 25, 1980

1 SECTION, 16 PAGES

NUMBER 18

JAMES FOLSOM, JR.

REX BOUTWELL

CHARLIE MARTIN

Rex Boutwell & Charlie Mack Martin Win Commission Seats, Folsom Stuns Stewart

Coffee County voters supported the winner in the only statewide run-off Tuesday. They also returned one incumbent to office and replaced another. Four-hundred sixty-two fewer people went to the polls this time than went September 2nd.

Jim Folsom, Jr., carried Coffee County by a wide margin, while winning statewide by a very narrow margin. Folsom defeated incumbent U.S. Senator Donald Stewart by 3661 to 2158, and carried all but about three beats in the county while amassing this total.

Rex Boutwell, incumbent County Commissioner in District 3, (Elba, Kinross) won re-election by 302 votes when he defeated businessman

Robert Stephens by a vote of 3001 to 2699. Stephens cut Boutwell's lead during the three weeks from the first primary from 763 to the 302 this time.

Boutwell carried Elba by 233 votes while Stephens overcame a second-place finish of September 2, and ran first in Enterprise by 235 votes. The rural voters made the difference, with the vast majority of them giving Boutwell enough votes to win with the 302 vote margin.

Bennie Beckham, the incumbent in District 4, Place 2, was defeated in a squeaker by political newcomer Charlie Mack Martin, an insurance agent in Enterprise. Martin won by 122 votes in the official tally of votes. The voters of Elba supported the winner in this race

also, giving Martin 664 votes and Beckham 273. Enterprise voters again supported Beckham by a vote of 1442 to 1010, again with the rural voters making the decisive vote in the race.

The end results are that Coffee County will see a "new-look" commission in January, as four new faces will sit on the commission. All three of the incumbents in District 4 were defeated, and District 2 Commissioner Jack Hornsby chose not to seek re-election.

The beat-by-beat breakdown of the vote can be found on Page 2 of this newspaper.

City School Board Discusses Money Problems

The Elba School Board held a special meeting last Monday afternoon at 5 p.m. to discuss developments in securing funds for the construction of the classroom addition to the Elba High School.

Bids were opened on September 11, on the removal of the existing high school wing and construction of a new wing. The low bid, by Madison Construction Company of Orem, was for \$553,386 plus some alternates, including better paint and fans in each room. Add the base, alternates to the various fees, and the total cost comes to \$603,686.50, or \$128,847.50 more than the school board has available for the project as designed.

Superintendent Elmer Taylor reported on a trip he, board chairman, J. Doug Kendrick, and Mayor-Elect Bob English had with several state officials in Montgomery earlier in the day. He

reported that the state appears to be out of funds, but efforts were being made to acquire at least part of the needed balance. Taylor reported he expected an answer from state officials by the last of the month. The school board has until October 11 to accept or reject the low bid.

Taylor said it was felt unofficially by a majority of the incoming city council, that with the help of the utility board, some monies could be furnished by the city and some additional funds could be raised at the local banks by pledging the excess from the local gasoline tax to repay the loan.

A school bond issue is presently being paid by the gasoline tax at the rate of \$1800 a month and at a very low rate of interest (6%). There is still over \$200,000 due on this bond issue and efforts are being made to fund the

entire balance without the heavy expense of "redonding" this bond for "only \$128,000." The cost would be prohibitive and would freeze Elba from any other school improvement for many years to come.

The school board will meet again on September 7 to make a final decision on the project.

Taylor told the group that with proration he felt the board was taking a big chance to pledge the \$57,000 from bond monies that were already in the above-cited funds, and that there were just no additional funds the school has available for the project. The alternate to getting the state funds, city funds and loans would be to either forget the project or cut off parts of the building until the cost matched the funds available.

The recent dry weather in Coffee County is dramatically displayed in this recent scene of Beaver Dam Creek at the point it crosses under Highway 84 West, just West of Dorsey Trailers.

While the picture indicates the water is completely gone from the rivers and streams of the area, it must be pointed out that some water is still in this creek but is channeled through the old creek

bed in downtown Elba in a continuing effort to keep stagnant standing water from becoming a mosquito raising haven. Small rains will cause this creek to again flow around the levee.

County Commission Accepts Resignation Of Tim Hornsby

The Coffee County Commission met in regular session on Monday, September 23, at the courthouse in Elba, and took care of a small agenda of business in a brief 30-minute meeting.

A letter from the Army Reserve unit in Opp was read, and it asked permission to use the school in Kinross as an alternate site in case of mobilization. The original site is the Army Reserve Center, in Opp. The commission expressed no opposition to the request, but agreed that permission must be granted by the County Board of Education.

Probate Judge James L. Sawyer read a letter of resignation from Assistant Engineer Tim Hornsby, and it was accepted by the commission. Hornsby stated the resignation was not politically motivated, and felt the move was "in the best interest of both my career and family." The resignation is effective October 1, and Hornsby will reportedly then accept a similar post in Baldwin County.

County Engineer Bill McClain was present at the meeting and was told various road signs are needed at (1) the new asphalt plant near Enterprise, (2) a bad curve on County road 43, and (3) at a school bus stop at the Goodman Road.

Ms. Peggi James, of the Human Resource & Development Corporation, addressed the commission and asked for an increase in funding from the county. The HRDC is beginning to discuss a rural transportation program to help transport rural residents to Elba and Enterprise, and the program will raise the insurance rates to almost \$8,000 annually. The new request was for \$5,000, and would be a substantial raise from last year's allocation of \$1,700. The local HRDC chapter, according to figures presented at the meeting, provided \$32,102.91 in services last year and served an average of 250 people per week. The commission took no action, but agreed to consider

Assistant Engineer, Tim Hornsby (right) listens as letter of resignation is read to Commissioners. At left is new County Engineer, Bill McClain.

found it to be depressing and antiquated." The report did state the jail was operated with efficiency, and commended the efforts made to provide additional space. Continuing the report stated, "Although technically not overcrowded, the space provided each inmate seemed far from adequate on humane standards." It also stated, "We are concerned that one inmate was stated that he needed, and had requested medical attention for some days but had not yet received it."

Local Residents Urged To Register For Employment At Proposed Plant

South Alabama stands a chance of obtaining a large manufacturing plant. According to an official source, within 2 to 3 years more than 800 employees, 70% male, would be hired. Andalusia is being considered the site for the modern, air-conditioned plant. The most critical factor influencing the decision to select Andalusia over another community, will be determined by a survey of the availability of personnel within Covington County and the surrounding area.

To date, every need of the company has been satisfied, including water, natural gas, power, sewage and railroad property. The only thing now needed is to assure the company that enough people are available in the area to staff the plant.

The company will provide employment to people in surrounding counties, and it is absolutely necessary that it be proven without doubt that an ample number of employees are in the area to staff the plant now and during future expansions. It is imperative all persons interested in employment respond by completing a registration form.

"It is now in the hands of the community," a company spokesman stated. "We need completed registration forms by October 11, 1980." This means the people in the area must ACT FAST.

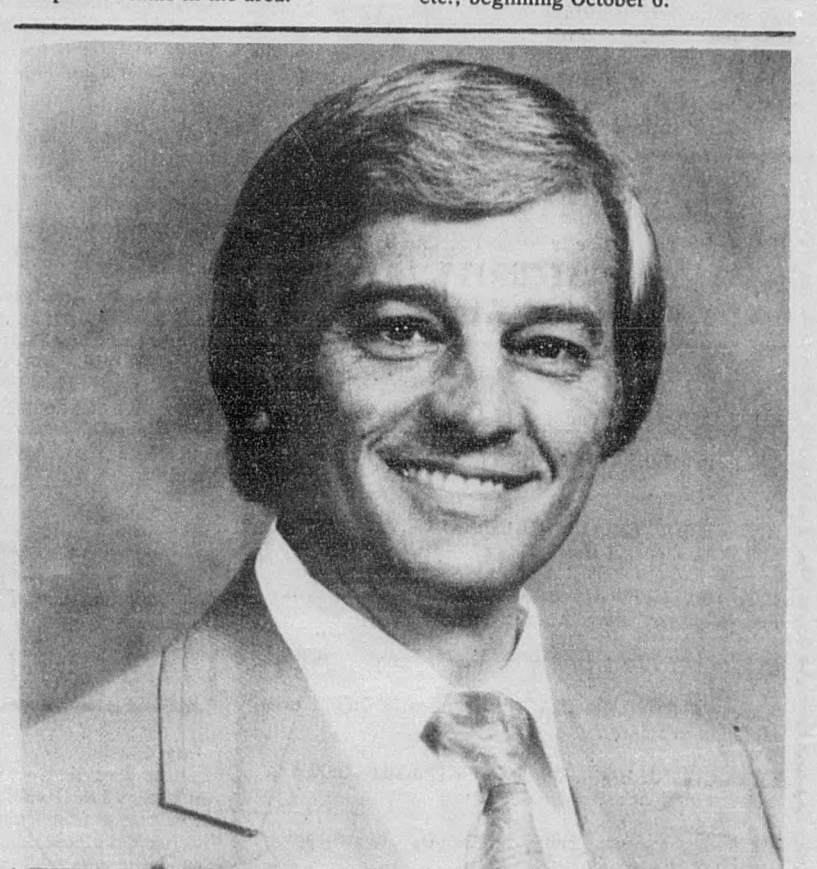

The company's Employee Relations manager desires it to be known that the proposed plant is designed to operate continuously 24 hours per day, 7 days per week. Shift schedules will allow time off that may not fall on weekends all the time.

The company has very good wages

**Voter
Registration
Set**

Voter Registration days for October are:
Elba - 1-2-3-6-7-8-9
Kinross - 10th - City Hall
Enterprise - 13-14-16-17-20
9:00 AM To 12:00 Noon and 1:00 PM To 4:30 PM.

Those interested in completing a registration form may do so at the nearest booth, and at the same place secure additional information. In this area the booths will be located in Andalusia, Opp, Kinross, Brantley, etc., beginning October 6.

Lamar Rainer Named Arts & Humanities Chairman

Mr. Lamar S. Rainer, Jr., of Elba, has been elected Chairman of the Alabama State Council on the Arts and Humanities succeeding Mr. Aubrey D. Green of York. Mr. Rainer has served on the Council since 1968. During his tenure he served on several committees, most recently as Chairman of the Program Committee. Mr. Rainer is Chairman and President of the People's Bank in Elba. His wide experience in business, advertising, sales promotion

and art make him an invaluable member of the ASAH Council. His many civic activities include past chairman of the Elba Hospital Association, Industrial Development Board, Elba Chamber of Commerce, Elba Little Theatre and Coffee County Arts Alliance.

The Alabama State Council on the Arts and Humanities is a federally and state funded agency committed to the expansion of arts throughout Alabama.

POOR ORIGINAL

Brainstorms

With Fernin Cox

Time magazine printed a feature on Bear Bryant this week and introduced it with a cover picture of the "Bear," and the label "Supercouch." We read a lot, and see articles written very biased, either pro or con; however, this was probably the best story we have ever seen on "the Bear." It gave a bit of his background, pointed out some strong points and some weaknesses all humans are prone to have. Yet it was all done with the respect we owe our fellowman. The subject of the article was not just Bryant, but was a study on "why he is a consistent winner." I feel the author did his job and did it well.

The Democratic primaries are now over in Alabama, and we did some turning out and some keeping. The surprise to me was the win by Jim Folsom, Jr. We thought he was foolish to run off a race in which his opponent needed only a few votes to win without a run-off. Again we have been shown up as wrong. However, he still has a long way to go if he ever expects to take a seat in the U.S. Senate, 'cause Denton presently has a head start and will be hard to beat.

Coffee County folks kept one and turned out another commissioner Tuesday. Both races were close, with the outcome in doubt until almost the last vote had been tallied. We salute the winners and hereby put them on notice that we expect (demand) they work for Coffee County.

One day last week we had a heartwarming experience in the Elba office. It was already past deadline for placing ads, but the politicians had begged for a few more hours and had reserved space. All of a sudden they all began to stop in here at one time. We enjoyed a few minutes of talk with them, and even though Robert Stephens and Rex Boutwell were running for the same office, they acted like gentlemen, joining in the conversations as if they were pulling the same plow, and in general left ye ole editor with a good feeling for both of them. Again Tuesday night, as the votes were being tallied, they had the same relationship, as did the other two in the run-off. Bennie Beckham and Charlie Mack Martin conversed, swapped vote counts, etc., and when the outcome was obvious, Beckham was the first to openly admit it, and he congratulated Martin and wished him luck. To me, this is what makes our country so great... our abilities to pour out our hearts for an objective and then unite our efforts for the good of us all.

The Iran-Iraq border war has spread to other areas, and there is danger it can erupt into a full-scale war. There is a lot of concern now that this will delay any positive action on releasing the American hostages from Iran; yet it shouldn't have any bearing on this subject.

The tube comes in for a lot of criticism for poor programming, but occasionally deserves praise. Presently "Centennial" is re-running on one network and it is a program that deserves praise. The story is great and basically true (or indicative), the scenery is beautiful and the acting is enjoyable. We recommend it to young and old.

We didn't watch the so-called debate of the presidential candidates, and understand it was really a press conference with the candidates reading their answers. In other words - we didn't watch, we don't regret not watching - and don't plan to watch the next one.

The school board is still searching for money to do the proposed construction at the high school. We offer our sympathy and hope them and the city officials succeed in finding a rat hole, with a few extra bills for the school.

Card Of Thanks

We would like to thank all of our friends for the many expressions of love and concern following mother's accident and death. We are grateful for the professional care she received at the Grove Hill Memorial Hospital. Special thanks for your prayers and presence, your phone calls and the beautiful expressions through cards and letters. We thank you for the food brought in and the flowers sent for the service

and also to the home. Each expression of love has meant so much, and with God's help, and friends as you have been by our side, it makes the way easier in accepting our loss.

Gratefully yours,
John Wilkerson and Family

Survivors include two sons - Charles E. Jones, Huntsville, AL; and John A. Jones, Birmingham, AL; one daughter - Mrs. Natalie King, of Elba; one sister - Mrs. Emily Boyett, Jacksonville, FL; and nine grandchildren.

Letter To The Editor

Dear Fernin:

As President of the Elba Athletic Club, I would like to clear up a false rumor now being circulated about who can be members of the Club.

The Athletic Club exist solely for the benefit of the athletes and cheerleaders of our school and anyone interested in promoting these young men and women can and should become members. I emphasize it is not just for the parents of players but for all interested citizens.

The money from the membership fees is used to provide a summer weight program, stadium improvements, game meals, athletic banquet, plaques and trophies, etc.

Let me appeal to all

interested citizens to join immediately. Do this by seeing Richard Brown or any member of the Athletic Club.

Thank you,

Ed Kelley

Elba, Alabama 36323

Wise Mill To

Hold

Homecoming

The annual Homecoming will be held at the Wise Mill Assembly, Sunday, October 5th. All former friends and members are invited to attend. The Singing Dyess Family from Opp will be the guest for the day. Dinner will be served at the church.

Dulley Bryant, Pastor.

Outing At Old Westville

The Fort Rucker Historical Society will sponsor a Sunday afternoon outing on October 5, 1980, at the Old Westville, Dale County, Ala.

Now, anyone in Coffee County can get answers to questions about cancer by dialing a toll-free number, 1-800-292-6201. Staff members and trained volunteers will be answering questions from 8:30 a.m. to 4:30 p.m. weekdays.

"The entire state is now linked to this toll-free number," said Dr. Joe Denson, Alabama Division President, American Cancer Society.

The service is part of a nationwide network funded by the National Cancer Institute.

ately, many specific boundaries and building locations can no longer be determined. It is quite possible, however, that natives to the area may have additional information that might assist in locating some landmarks.

Mr. James B. Jolley of the Directorate of Facilities Engineering, Ft. Rucker, and member of this society, has who have pictures identifiable to the village of Westville, or any other information available on the village, to carry this to the outing to share.

In a recent interview, Mr. Ed Akridge of Ozark, explained that he voted in this village in 1904.

Mrs. Love Edwards Fleming, who was about seven years old during the Civil War, lived about three miles south of Westville. She wrote an article in 1901 telling about the life of citizens of the Westville Community. Mrs. Fleming named many families who lived in the area, and told of the different types of small neighborhood industry that was carried on in the community. Some names mentioned in her articles are Mizell, Edwards, Crittenden, White, and others.

Many natives of Dale and Coffee Counties have ancestors who lived in this Westville area during and after the Civil War, and were trained for the Confederate Army in the area. Unfortunately, many specific boundaries and building locations can no longer be determined. It is quite possible, however, that natives to the area may have additional information that might assist in locating some landmarks.

Mr. Nick Saad, president of the Society, asks that all who have pictures identifiable to the village of Westville, or any other information available on the village, to carry this to the outing to share.

Top salesmen in the magazine subscription sale were Lisa Taylor, Judy Helms, Jeff Amlong, George Millette and Michael Mobley.

Junior Class Holds Magazine Sale

By: Steve McCarroll

For the past two weeks the Zion Chapel Junior Class has been selling magazines to raise the necessary funds to sponsor the Junior-Senior Prom. The Junior Class is divided into two homerooms

and these homerooms composed the two teams to compete for the highest sales. The class goal was \$4000 and each homeroom goal was \$2000. Mrs. Hilton's homeroom won the competition with a total of

\$2,121.97. High sellers in this homeroom were Lisa Taylor, Judy Helms, and Jeff Amlong. Mrs. Hodge's homeroom sold a total of \$1646.70. Top sellers here were George Millette and Michael Mobley.

Mr. Harold Stewart

Agri-Business Instructor Attends Summer Workshops

At various sites throughout the state, Agri-Business Instructor Harold Stewart attended four workshops during the months of June, July, and August. These workshops were sponsored by the State Vocational Agribusiness Department and Auburn University. They were held

at various sites throughout the state. The first workshop attended was held at the Enterprise Junior College, June 17-18. The purpose was to train FFA officers for chapter meetings and activities.

The second workshop was on swine production and was held at the Sycamore Duroc Farm, July 7-11. The purpose of it was to study the latest swine production research and methods. Also discussed the information on swine shows, swine breeding and feeding, and swine types. This will help in teaching a better unit of livestock production.

The third workshop was held at Auburn University, August 4-5. This was a Livestock Judging clinic. Its purpose was to update FFA Sponsors on the latest in Livestock Judging. This workshop taught how to judge cattle and hogs according to the way they are going to dress out when slaughtered. It will help in training a livestock judging team.

The fourth and final workshop was held in Montgomery, August 13-15. It was a Vocational Conference. Those who attended the conference learned the latest vocational Agribusiness teaching methods and materials. This included supervised practice programs, FFA shop programs, and improved teaching techniques.

SENIOR SPOTLIGHT

By: Judy Helms
In the Senior Spotlight this week are Tommie Evans,

Vivian Moultry, Blair Hurd, and Fred Lipiot. Tommie is from a rural

Coffee County Community. He is close to Brundidge. His hobbies include playing

Football And Cheerleader Captains

By: Kim Dvess

Chosen as captains for the Coffee Springs-Zion Chapel game held on September 12, 1980, were from (left to right) Andy Cap and Jim Little. Chosen as Cheerleader Captain was

Mr. Gatin. Chosen as Co-Captains for the ballgame were Jessie Sawyer and Larry McWaters.

Football captains are chosen by Coach Collins on the basis of performance as judged by viewing the film of the game. Every player has an assignment that must be carried out to fulfill the responsibility of the position played. Coach Collins counts the number of times a player is called upon to do his assignment and then he

counts how many times this assignment is done right. A percentage is determined and the player with the highest percentage is captain.

Two Captains are chosen when two percentages are the same. Co-Captains are chosen when the percentages are very close.

Mr. Green was the spokesman for the meeting until, by majority vote, it was decided to form the new club. He explained the way the club was to use its money to aid all athletic programs, the purchase of those items needed, the payment for those items, and also the process by which purchase receipts and payment records were to be recorded and filed.

Officers were then elected. Those elected were: President Ronnie Silver, Vice-President Richard McLeod, Secretary Joyce Flowers, and Treasurer Sybil Arnold.

A committee was then selected for the purpose of setting up by-laws for the club. Those selected were Varsity Football Coach David Collins, Basketball and Volleyball Coach Mike Lind-

ZC Senior Qualifies For Merit Badge

By: Ricky Nickolson
Zion Chapel student Vickie Ellison has qualified for the Senior Merit Badge awarded by the American Association of Health, Physical Education and Recreation. To be awarded the Senior Merit Badge an individual has to score above the 80th national percentile on a physical fitness test.

Vickie scored among the top twelve percent.

The physical fitness test, administered by Coach Mike Lindsey, consisted of sit-ups, flexed arm hang, shuttle run, 50 yard dash, standing long jump, and 600 yard run-walk.

Vickie's lowest score was on the standing long jump. She jumped 6 feet 3 inches which places her in the 88th national percentile. Her highest score, a 1 minute, 56 second 600 yard run-walk, placed her among the top 1% in the nation.

Vickie's other scores were 41.2 seconds on the flexed arm hang (97% national percentile), 42 sit-ups (90% national percentile), 10.0 seconds in the shuttle run (95% national percentile), and 7.1 seconds to run the 50 yard dash (95% national percentile).

The cheerleaders plan to buy red and white uniforms in a sailor style. They also hope to purchase new shoes. They hope to have the new uniforms for the Homecoming game on October 10, 1980.

basketball and singing. Her future plans are to attend Alabama State and become a nurse.

Also in the spotlight is Vivian Moultry of Route 1, Brundidge. Vivian plays saxophone for the Rebel Marching Band. Her hobbies include playing softball. Her future plans include attending Alabama State University. Vivian would like to be a school worker.

Blair Hurd of Jack and a member of the Class of 81, is very involved in horse show competition. He is the winner of several trophies in different categories. In addition to horseback riding, Blair's hobbies include football, hunting and fishing.

Last in the spotlight is Fred Lipiot. Fred is also a member of the Rebel Marching Band. He plays the trombone. He hopes to attend Troy State University.

Band Boosters

Hold Meeting

By: Steve McCarroll

Monday, September 8, 1980, the Band Boosters held their first meeting of the school year. The meeting was called to order by the president Mr. Marlin Mobley. The treasurers report and the minutes of the last meeting were read by Mr. Monroe Richards. Mr. Green was present to help with ideas about different money making projects.

Running the concession stand for the football game was discussed. Other business included a discussion about the best method for getting the band uniforms washed each week and ready for the next ball game. No final decision was made.

ZC Parents

Sponsor New

Athletic Club

By: Hayes White

Zion Chapel patrons, interested in expanding the athletic program, held their first meeting Monday night, September 8, 1980. They met to form a new club, The Athletic Club, which is responsible for supporting all athletic programs at Zion Chapel.

Mr. Green was the spokesman for the meeting until, by majority vote, it was decided to form the new club. He explained the way the club was to use its money to aid all athletic programs, the purchase of those items needed, the payment for those items, and also the process by which purchase receipts and payment records were to be recorded and filed.

Officers were then elected. Those elected were: President Ronnie Silver, Vice-President Richard McLeod, Secretary Joyce Flowers, and Treasurer Sybil Arnold.

A committee was then selected for the purpose of setting up by-laws for the club. Those selected were Varsity Football Coach David Collins, Basketball and Volleyball Coach Mike Lind-

son, and the Zion Chapel students. The purpose of the club is to provide a place where parents can meet and discuss the athletic program at Zion Chapel.

The club will be responsible for the purchase of athletic equipment, the payment of expenses for the athletes, and the organization of athletic events.

The club will also be responsible for the promotion of the athletic program at Zion Chapel. This will be done by organizing fund-raising events and by providing information to the community about the athletic program.

The club will be a non-profit organization. All funds raised by the club will be used for the benefit of the athletic program at Zion Chapel.

The club will be open to all parents of Zion Chapel students. The club will meet on a regular basis to discuss the athletic program and to plan for the future.

The club will be a great asset to the athletic program at Zion Chapel. We hope that many parents will join the club and help us to make the athletic program at Zion Chapel the best it can be.

The club will be a great asset to the athletic program at Zion Chapel. We hope that many parents will join the club and help us to make the athletic program at Zion Chapel the best it can be.

ZC Senior Training

For Olympic Tryouts

By: Robin Day

Zion Chapel senior Tim Sattire has been training for the 1987 Olympic tryouts. His goal is to be a member of the roller skating team.

Tim says that his daily workouts at the Ft. Rucker roller rink usually last from 4-6 hours. He has been skating since he was 4 years old.

His uncle, a professional roller skater, gave him his start. His favorite routines include jumps, spins, couple and free style skating.

Mr. Green was the spokesman for the meeting until, by majority vote, it was decided to form the new club. He explained the way the club was to use its money to aid all athletic programs, the purchase of those items needed, the payment for those items, and also the process by which purchase receipts and payment records were to be recorded and filed.

Officers were then elected. Those elected were: President Ronnie Silver, Vice-President Richard McLeod, Secretary Joyce Flowers, and Treasurer Sybil Arnold.

ALL AROUND COFFEE COUNTY County Farm Agent TOM CASADY

HELPFUL

A Kinston farmer said Friday that as far as the 1980 peanut crops are concerned it is about time to "call off the dogs and put out the fire." He is right. However, the rains which we are receiving will be extremely helpful to some of the soybeans and some of the younger peanuts. It will also be very helpful in plowing up the peanut crop.

In addition, pastures should revive a great deal and perhaps even some excess forage can accumulate to go into the fall and winter. Unfortunately, this rain is coming several weeks too late to make much difference in the total crop. But rainfall is very welcome whenever it comes.

NEW BEGINNING

The Farmers Home Administration, under the direction of County Supervisor Randy Johnson, is intensely interested in helping Coffee County farmers. Literally hundreds of farmers in this county are in severe financial difficulties. Others may have used some of their own funds built up over a period of years. But it is a costly year for virtually every farmer.

We have several banks in this county which have a huge investment in farming also. In addition, lending institutions to keep the agricultural industry in Coffee County going in 1981.

It is amazing the number of different projects 4-Hers are participating in. We need the help of volunteer leaders to serve as resource people for many of the clubs and groups. If you have a particular area of knowledge and would like to share this with some of the young people, call us at 894-5596 or 897-2776.

Use refrigerated leftovers within three days, including vegetables, fruits, beef, fish, and poultry. If keeping leftovers longer, freeze rather than refrigerate. The cost of re-creating the leftover meal should not be more expensive than the cost of a new dish. And, if you don't like it, don't waste time and energy preparing it again.

CREDIT CARDS
A few practical guides in the use of credit cards can reduce the risk of losing them or having them stolen. Keep credit cards in your person, not in your luggage or in the glove compartment of your automobile nor at your home while you're away.

When a new card arrives in the mail examine the envelope with care. If you have reason to believe it has been opened, advise the credit card company, cancel the credit card, and request a new number.

YOUR CHILD'S VISION
You should not assume that your child's eyes do not need correction just because

Johnson is UCPAL Vice-President

R.D. (Danny) Johnson was elected Vice-President of United Cerebral Palsy of Alabama at the annual meeting on Saturday, September 20, at the Spain Rehabilitation Center in Birmingham.

Other items on the agenda included reports from state-wide affiliates; the adoption of a new budget for 1980-81, and a report on statewide efforts in services for CP individuals, which was given by Executive Director Leonard Gush.

Johnson, who lives with his wife and three children in

Elba, is employed as Assistant Vice-President of National Security Fire and Casualty Company. He has served as chairman of the Wiregrass Service Council of United Cerebral Palsy since March of this year.

Mr. George W. Connors, Vice-President of the Anniston (Alabama) National Bank, was elected president of the state organization. The new officers will assume their places on October 1, 1980.

New Brockton Upsets Houston Academy 21-20

New Brockton cheerleader Diana Bryant bites her nails as the Gamecocks battle to a narrow win over Houston Academy 21-20.

GAMECOCK PRIDE

BY: JIMMY JACOBS

New Brockton Gamecocks, on a wet, slippery football field, upset their record to 3-1 with a very emotional 21-20 victory over the Houston Academy Raiders from Dothan in New Brockton last Friday night.

The Gamecocks showed their "Gamecock Pride" coming from behind 3 times to capture the victory. Each time they came from behind, took the full measure of each player. When all the chips were down and the score read 20-14 in favor of Houston Academy, the Gamecocks reached down and came up for the bell one more time, and this time proved to be enough.

The knockout punch came on a quarterback sweep to the right with Keith Roberts cutting back when he crossed the line of scrimmage and simply outrunning everyone on the field. The PAT was good and with 10:31 left in the 1st half, Houston Academy was ahead 7-0.

The Gamecocks fought back and with 1:26 left to play in the 1st half, Roberts hit #88 Robbie Shepard with a 24-yard TD pass as he had beaten the defensive coverage. The PAT was good and with 6:15 left in the 3rd quarter, the Houston Academy Raiders held a distinct 20-14 advantage.

On the ensuing kickoff, New Brockton put the ball in play at their own 27-yard line. Roberts, Sipper and Burrows moved the ball out to the 38 when Roberts carried on quarterback roll-out 62 yards for the tying TD. Weeks kicked true on the PAT and New Brockton had gone ahead for the first time of the night 21-14 with 4:25 left in the game.

The Raiders could not manage a first down and New Brockton held on to run out the clock for a very emotional win.

Houston Academy's defense past the Gamecocks and gathered in a 24-yard TD pass as he had beaten the defensive coverage. The PAT was good and with 6:15 left in the 3rd quarter, the Houston Academy Raiders held a distinct 20-14 advantage.

BY: JIMMY JACOBS

The most crucial one was on the 1st scrimmage play of the second half as the Gamecocks coughed up the elusive pigskin on their own 17-yard line. A Houston Academy Raider scooped it up and ran it to the 4-yard line.

The Gamecock defense showed up and held the Raiders on 3 downs to the 1-foot line where on 4th down Houston Academy punched it over. The PAT was good and with 9:22 left in the 1st half, the Raiders owned a 14-6 lead.

Houston Academy intercepted New Brockton on their next possession, but could not move, and on 4th down, #84 Kevin Weeks broke through and blocked the punt. New Brockton put the ball in play at the Raider 28-yard line after a 1st down on the 17-yard line by Joseph Burrows. Kelly Tindol, an 8th grader, starting his first varsity game, carried to the 13.

Ricky Sipper then took a misdirection handoff and carried 13 yards around left end for the TD. New Brockton went to two, and Joseph Burrows took the pitch from Roberts and carried it over, knotting the game at 14-14 with 4:52 left in the 3rd quarter.

The remainder of the third quarter and part of the fourth were spent trading punts. Houston Academy's defense past the Gamecocks and gathered in a 24-yard TD pass as he had beaten the defensive coverage. The PAT was good and with 6:15 left in the 3rd quarter, the Houston Academy Raiders held a distinct 20-14 advantage.

On the ensuing kickoff, New Brockton put the ball in play at their own 27-yard line. Roberts, Sipper and Burrows moved the ball out to the 38 when Roberts carried on quarterback roll-out 62 yards for the tying TD. Weeks kicked true on the PAT and New Brockton had gone ahead for the first time of the night 21-14 with 4:25 left in the game.

Elba's Don Horstead (33) bulls for extra yardage against the tough Opp defense. Horstead gained 152-yards in the win and pulled in a 40-yard touchdown pass.

These Elba cheerleaders seem concerned as Opp nears the Tiger goal. Pictured are (L-R) Beverly Boutwell, Donna Haley and Beverly Daniels.

Elba defensive-end Hal Brunson (54) lowers the boom on Opp halfback Tim Jesse (33) in the 14-13 win last Friday night. The Elba defense made several big plays during the game to preserve the win.

Defensive-back Derrick Boutwell (24) drags down Opp quarterback Louie Grimes (14) after a trick pass-play by the Bobcats.

ELBA TIGERS DROP OPP 14-13

The Elba Tigers got the sweet taste of revenge last Friday night when they posted a heart-stopping 14-13 win over the Opp Bobcats.

The win upped Elba's record to 3-0 (2-0 in the Area), while Opp dropped to 1-2 (0-2 in the Area).

A packed stadium was on hand for the game, and about a dozen faithful fans sat on the levee to get a view of the top-ranked Tigers in action.

Opp won the toss and elected to receive, but the high-powered Bobcats couldn't move on their initial possession and had to punt. Elba's Don Horstead caught the punt on the 10-yardline, headed up the sidelines, and rammed 40-yards to mid-field. The Tigers came out running and moved to a quick first down, and then surprised the Bobcats by going to the air. Russell Kelley dropped back on first down and hit a swing pass to Don Horstead, who found a path down the sidelines and raced in untouched for a touchdown. David Sutley added the extra-point and Elba owned a 7-0 lead with 7:52 left in the opening stanza.

The Bobcats came back strong on their next possession and ripped off big gains behind the running of Tim Jesse and Clay Tyson. Opp kept the ball on the ground for 9 straight plays and marched 56-yards to a first down on the Elba 10-yardline. The Bobcats again deep into Opp territory. The Elba's Eddie Coleman recovered at the 12-yardline to stop the threat.

The Tigers pulled out for a pair of first downs before having to punt, and the defense then took over as they stopped Opp cold. Opp halved the lead when Tim Jesse's fumbled punt and the Bobcats recovered. Elba got the ball back only one play later when the slippery pigskin again popped loose and Wayne Parker recovered. The Tigers quickly bolted out for a first down, but fumbled again and Opp recovered at the Elba 42-yardline.

Elba's offense came to life on its next possession and rolled down field to a first down at the Opp 26-yardline. The Tigers got as close as the 18, but again fumbled and Opp took over as far as the Elba 41-yardline. However, Elba's Eddie Coleman tackled Opp quarterback Louie Grimes for a 9-yard loss on a big third-down play and the Bobcats had to punt. Elba put the ball in the play on the 33-yardline following a short punt and began a

Opp began another march toward the Elba goal line, and the Bobcats pulled out all their tricks in an effort to get on the scoreboard. Facing a third down and 15 at the Elba 26, Opp quarterback Louie Grimes handed off to halfback Ed Spurlin, who passed back to Grimes. The play seemed headed for a big gain, but Elba's Derrick Boutwell made a solid open-field tackle and stopped Grimes short of a first down. Opp decided not to go for it on a sweep, but the Elba defense hit him behind the line and again turned Opp back without allowing a score!

Elba moved out to a quick first down behind the running of Don Horstead and appeared ready to run out the clock, but that slippery football again slipped loose and Opp recovered on the Elba 30-yardline. A screen pass from Grimes to Tim Jesse got the ball down to the 13-yardline, and Grimes sneaked in on the next play for a touchdown, and Jeff Waller added the extra-point as Opp tied the score at 7-7 with only :53 left in the half.

Elba's Don Horstead returned the ensuing kick 37-yards, and then rammed a last-second drive ended when a Russell Kelley pass was picked-off at the end-zone. At halftime, the two rivals had battled to a 7-7 deadlock.

Elba got off to a shaky start in the third quarter as the penalties stopped the Tigers' drive to punt. Opp tied the score at 7-7 with only :53 left in the half. Elba's Don Horstead returned the ensuing kick 37-yards, and then rammed a last-second drive ended when a Russell Kelley pass was picked-off at the end-zone. At halftime, the two rivals had battled to a 7-7 deadlock.

Elba's offense came to life on its next possession and rolled down field to a first down at the Opp 26-yardline. The Tigers got as close as the 18, but again fumbled and Opp took over as far as the Elba 41-yardline. However, Elba's Eddie Coleman tackled Opp quarterback Louie Grimes for a 9-yard loss on a big third-down play and the Bobcats had to punt. Elba put the ball in the play on the 33-yardline following a short punt and began a

Opp's Tim Jesse (33) looks for a place to go, but finds himself surrounded by the Elba defense. Hanging on is Troy Brown (31), while help is coming from Greg Hudson (53) and Doug Daniels (73).

12-play drive that ate-up 5:32 of the clock. The drive got as far as the Opp 10-yardline, but a 15-yard penalty backed Elba up and the Tigers turned the ball over on downs at the 28-yardline. Opp put the ball in play with 5:56 left in the game, and began to move down the field behind the passing of Louie Grime's to Craig Jones. The Bobcats got down to the 38, but with 2:55 left in the game Elba had simply to run out the clock, but the Tigers couldn't stand properly, and promptly lost the ball on yet another fumble!

Two running plays gained only short yardage, and the Bobcats were forced to pass. Grime's lofted a long pass down the middle of the field in hopes of a miracle, but Wayne Parker intercepted it off on the 33-yardline following a short punt and began a

Don Horstead turned in another fine performance to lead Elba, as he rushed 21 times for 152-yards, caught a 40-yard touchdown pass, and returned two kicks a total of 67-yards. Russell Kelley added 35-yards on 5 carries, Bobby English had 26-yards in 6 carries and Mike Amison gained 19-yards on 5 carries, including a 1-yard touchdown plunge.

Leading the Tiger defense were Greg Hudson (9 tackles & 6 assists), Eddie Coleman (8 tackles & 5 assists), Derrick Boutwell (8 tackles & 2 assists), Ted Horstead (5 tackles & 4 assists), Hal Brunson (5 tackles & 1 assist) and Troy Brown (5 tackles). Eddie Coleman, Doug Daniels and Wayne Parker all recovered fumbles for Elba, while Parker and Don Horstead both got interceptions.

Tim Jesse gained 133-yards on 19 carries to lead Opp.

Zion Chapel Rebels Score Late

To Dump Long 7-0

Quarterback Jeff Senn led a 13-yard scoring pass to David Sanders with only :38 left in the game to lift the Zion Chapel Rebels to an exciting 7-0 win over the Long High Rebels of Skipperville.

The win upped Zion Chapel's record to 1-1-2, while Long fell to 0-4.

The two Area rivals swapped punts early in the game, but Zion Chapel did manage to control the ball on its second possession and drove to the Long 33-yardline. Penalties slowed the march, however, and following a punt Long put the ball in play on their own 7-yardline. The visiting Rebels began to get their offense going on this series and marched downfield to the Zion Chapel 37-yardline, being stopped. Neither team could mount a threat for the remainder of the half, and at halftime the score was 0-0.

Long High received the second half kick and quickly moved to the 20-27-yardline, but the Rebel's Dwayne Bell pounced on a fumble to halt

the drive. After the clubs swapped punts, Zion Chapel got a break when Long High had a bad snap on a punt attempt and the Rebels put the ball in play on the Long High 25-yardline. Zion Chapel couldn't push it in, however, but the win upped Zion Chapel's record to 1-1-2, while Long fell to 0-4.

Registration

Completed At BBI

Registration is now completed at Baptist Bible Institute, Graceville, FL, and 346 students registered for the fall semester.

Of that number, 223 are majoring in theology, 76 in music and 44 in religious education.

There were 91 new students on the campus. States represented included 151 students from Florida, 87 from Alabama, 44 from Georgia, 10 from Mississippi and 52 from other states. A total of 27 states and 2 foreign countries are represented in the student body.

PASTOR'S CORNER

DAVID RICHBURG
PASTOR WHITEWATER
BAPTIST CHURCH

Heb. 10:9 - "Then said he, Lo, I come to do thy will, O God. He took away the first that he may establish the second."

If I had to sum up what I have tried to say to you in this month's articles, I would say that we have a responsibility to God, to ourselves, and to others. I find that lack of responsibility is a problem of magnitude in all areas of life today. I find it in the church and in the secular world also. I have looked at this

growing problem for a long time trying to determine the cause. I find many contributing factors, although I am sure I do not know the complete problem or answer.

I am afraid that we, as parents, have made a heavy contribution to this problem. We have failed to give and delegate responsibility to our children. I hear parents say, "But I don't want my children to bear the responsibilities that I had as a youth."

I am reasonably sure that we need to come back to God's intended role for man. We are to be a responsible people to God, ourselves and others.

When Jesus said, "Take up your cross and follow me," He was seeking those who would assume responsibility.

responsibility that was given according to capabilities has never harmed anyone! In fact, I believe this is one of the best prep courses of life in getting us ready to assume the responsibilities of life. I appreciate my parents for allowing me to assume responsibilities of which I was capable.

I see many people who were never allowed any responsibilities as a child, and have never assumed any as an adult.

I also believe we have many governmental and community agencies that make decisions for us that we have said, "Well, what the heck? Why should I be concerned when they are going to make the decision for me?"

We need to recognize God's intent for us in assuming responsibility. The Bible clearly states that He created all of creation, including man, and that He then gave man dominion over all of creation.

We need to come back to God's intended role for man. We are to be a responsible people to God, ourselves and others.

When Jesus said, "Take up your cross and follow me," He was seeking those who would assume responsibility.

Revival services at Westside Baptist Church will be held September 28 through October 5, 12:10 noon through Friday with a sandwich lunch provided.

The evening services will begin at 7:30 each evening except Friday night when the group will attend the football game and then go to the building for refreshments.

and the evening services. There will be a Saturday night service with special emphasis for the youth.

The speaker for the services will be John Bayan Wilder from McAllen, Texas. Wilder served as a Major of Intelligence during World War II. He served as a pastor for over 30 years, and as an evangelist, has preached across the nation. He has been a newspaper columnist and for several years, the Editor of the "Pastor's Friend." He is also the author of six books and had a daily radio program in British Honduras, reaching most of Latin America.

Brother Wilder will be speaking in all of the services. Howard Foreman, the pastor, will be leading the music with David Scott, Minister of Music, planning the special music.

The public is invited to these services.

***Army Specialist Four C.P. Rogers, 21, son of Mr. and Mrs. Will Rogers, Rt. 4, Elba, was awarded the Expert Infantryman Badge August 22 while assigned to the 1st Infantry Division near Augsburg, Germany. The badge is the Army's highest non-combat proficiency award for infantrymen.

Rogers' wife, Mildred, is with him in Germany.

***2nd Lt. Harry W. Crook, son of retired Air Force M/Sgt. and Mrs. William R. Crook of Rt. 1, Elba, has been awarded silver wings upon graduation U.S. Air Force navigators training at Mather AFB, California.

***Miss Beverly Hornsby, daughter of Mr. and Mrs. Gaston J. Hornsby, Jr., of New Brockton, has been awarded a George C. Wallace Leadership and Academic Scholarship for the academic year at Troy State University.

***Ten department heads at Elba General Hospital received diplomas for a one week course in Oral Communications: George Keltner, Nell Lawford, Virginia Corbitt, Lorene Bryan, Mary Hutchison, Mary Floyd, Brunese Winston, Jimmy Jacobs, Kenneth Hudson and Roger Winston, Jr.

***Mr. and Mrs. Roy Ward from the New Hope Community moved to their new home, Sgt. Opal D. Ward, this week which was dated September 28, 1980. He stated he had been on the front line for five days and things were pretty hot.

***Miss La Verne Perkins, 16, daughter of Mr. and Mrs. R.C. Perkins was selected Miss Elba at the Elba Theatre and will represent Elba at the Peanut Festival in Dothan. She is drum majorette for the high school.
